BRCGS - A PROGRAM FOR EVERY BUSINESS

Among the GFSI-benchmarked food safety certification schemes offered by PJRFSI, BRCGS stands out as a great option for almost any type of organization. With standards including Food Safety, Storage and Distribution, Packaging and Packaging Materials, and a number of add-on modules, BRCGS offers a globally-recognized certification with some of the most rigorous, harmonized requirements.

BRCGS Global Standard for Packaging and Packaging Materials - Issue 6

- Provides a robust framework for all types of packaging manufacturers to help ensure safe, quality production while meeting customer requirements and maintaining legal compliance.

BRCGS Global Standard for Food Safety - Issue 8

- Developed by food industry experts from retail, manufacturing, and food service sectors to manage product safety, integrity, legality, and quality.
- Includes a detailed, yet easily understood framework for operational controls for the above criteria.

BRCGS Global Standard for Storage and Distribution - Issue 4

- Reflects best practice and facilitation of continual improvement; ensures product quality and safety throughout the supply chain.
- Fully flexible for operations to implement the full scope of the standard or only the portions relevant to their business. (e.g. Storage only, Distribution only, Transport only, etc.)
