ANAB Grants PJRF SI Accredited Scope Extensions – Cannabis/Hemp Certification Scheme

**FOR IMMEDIATE RELEASE APRIL 18, 2022 – TROY, MI**

Perry Johnson Registrars Food Safety, Inc. (PJRF SI) has officially been granted accreditation for the 2.0 version of their own Cannabis/Hemp Safety Certification, as well as scope extensions for the Drug and Dietary Supplement Add-On Modules (GMP) for their Hemp & Cannabis GMP Standard Version 2.0. In 2020, PJRF SI became the first certification body to be granted Accreditation for cannabis certification in the United States by the ANSI National Accreditation Board (ANAB). The independent cannabis and hemp certification standards developed by PJRF SI are GMP- and GAP-based schemes intended to help growers, manufacturers, and retailers meet the range of state-by-state requirements.
